

KIND WORDS FOR MR. WHITEHEAD

The Press of Wisconsin
Continues to Praise
Him Warmly

A SPLENDID SHOWING

No Other Candidate on the
List Has Been So
Well Treated

Richland Center Republican-Observer,
The Delavan Republican, Waterloo
Journal, Lake Mills Leader, Vernon
County Censor, Brodhead Independ-
ent, Evansville Review, Bloomer
Advance, Edgerton Reporter, Milton
Telephone, Platteville Witness
and Others Speak.

The press of the state continues to
show a friendly spirit to Senator White-
head.

The Richland Center Republican-Obs-
erver says: "Senator John M. White-
head of Janesville, has announced him-
self a candidate for the republican
nomination for governor.

"Senator Whitehead would make an
excellent governor. He is a close stu-
dent of public events, a man of rare
good judgment, conscientious to a high
degree in all matters relating to his
public duties, and withal possessed of
the courage of his convictions. He is
not entirely unknown to the people of
Wisconsin, for his work in the senate
has been watched with increasing inter-
est. For the past two sessions he was
perhaps the most influential member of
that body. He brought to his work all
the good qualities of a mature judgment,
combined with a strong character and a
vigorous physical manhood. He is pos-
sessed of many of the elements of popu-
larity, a graceful and forceful talker, a
pleasant, gentlemanly individual, mod-
est, recognizing his own worth, but al-
ways ready to concede to the good
qualities of another.

"If Senator Whitehead is nominated
for governor, the republican party of
Wisconsin will have nothing to regret."

Brodhead Likes Him.
Brodhead Independent—Hon. J. B.
Treat has positively decided to let his
name be used as candidate for the office
of governor. That he would have been
a good man for the place, all agree. Still
the first district which seems to have a
special claim on the honor if rotation
counts for anything, is not without
candidate.

Hon. J. M. Whitehead of Janesville,
has consented, after much pressure, to
enter the race, and he will receive the
undivided support of the district. He
is a man whose record as state senator
the past four years, has made him widely
known, everywhere recognized as a man
of character, who subordinates all else
to principle. He is a logical thinker,
possessed of sound judgment, and if
not a brilliant orator, is one of those
speakers who can make his point clear
in good and simple English. He is a
man of education and culture, a success-
ful lawyer, and one whose life gives
confidence that whatever his station or
influence it would never be subverted to
more personal ends.

The Janesville Gazette had the honor
of first mentioning Mr. Whitehead's
name, and other papers since then, have
given him hearty endorsement. The
editors of the Independent having known
Mr. Whitehead personally for years, are
glad that the 1st district can be repre-
sented by such a man.

Strong Executive Traits

Janesville Irish-American Star—Hon.
John M. Whitehead, of this city, is in
the open political field as a candidate
for governor on the republican ticket.
We understand that he is not simply
"in the hands of his friends"—whatever that
means—but that he is an open, out-
spoken, and flatfooted aspirant for the
nomination. If this is so, we cannot
help liking his open, candid method in
seeking it. It is tiresome to notice the
antics of some people who desire politi-
cal preferment, and Mr. Whitehead's
action is refreshing and will tend toward
his favorable prejudgment by the people.
Janesville republicans can spare a voter
or two without endangering the party
majority in hide-bound Rock. Mr.
Whitehead has many strong executive
traits in his make-up, and the Republi-
can State Convention might not readily
find a better man. (We reserve the
right to forget all this in case he is
nominated.)

Unusual Business Ability.

Delavan Republican—State Senator
John M. Whitehead, of Janesville, is the
latest addition to the number of candi-
dates for the Republican nomination for
governor. He will be the first con-
gressional district's candidate, and con-
fidently expects to go to the convention
backed by the 112 votes of the district.
Mr. Whitehead is not only a man physi-
cally but mentally and morally as well.
He is one of Janesville's successful law-

RUSSIAN MILITARY ACTIVITY.

Preparing to Coerce Turkey and Korea
—Japan Watchful.

London, March 31.—The Sebastopol
correspondent of the Daily Graphic
says: "The whole Euxine squadron is
fully equipped for instant service.
Troops with full war kits are daily ar-
riving from the interior. The garrison
will soon be a powerful army corps.
There is much excitement among the
staffs of both services, and all the talk
is of bringing Turkey to her senses by
forcible measures."

Russia Jealous of Japan.

London, March 31.—According to the
Times' correspondent at Seoul, Korea,
Russia's demand for a site for a coal
depot within the treaty limits of Ma-
sampo is a modification of a previous
demand which would have given Rus-
sia a site at Atkinson Point, which
commands Masampo harbor. The
present demand is unobjectionable, but
is accompanied by an insistence that
Korea shall not alienate any portion of
Kojedo to any other power. This is
for the purpose of preventing Japan
from claiming the neighboring area
and indicates that Russia claims re-
version to the island, which is of high
strategical value.

BLACK DIPHTHERIA DISTURBS MENASHA

Case in Milkman's Family it is Feared
May Cause an Epidemic in
the Town.

Menasha, Wis., March 31.—[Special
Telegram]—The people of this city have
been thrown in considerable excitement
by the discovery of a case of black diph-
theria in their midst. Freda Weaver,
twelve year old daughter of Mr. and
Mrs. Fred Weaver, died Thursday night.
The death was reported to the city phy-
sician and he pronounced the case of
death black diphtheria in a most malig-
nant form. There are two other cases
in the family. What makes the matter
more alarming is that Weaver is a milk-
man and has a route among many
prominent people of the city. An epi-
demic of the disease is feared.

W. H. CULTON HAS NOTHING TO CONFESS

Knows of No Particulars That Would
Implicate Republicans in the
Goebel Shooting.

Frankfort, Ky., March 31.—[Special
Telegram]—W. H. Culton in an inter-
view this morning said he never con-
fessed and knew nothing to confess. "I
know of nothing that implicates the re-
publicans. I have told Col. Campbell
and his associates about only one little
matter that I can't explain, a thing that
puzzles me." Judge Moore declines to
state how many warrants were issued
at the same time Dick Combs received
service.

ALL STILL QUIET IN KENTUCKY

No Arrests Made Yesterday—Beckham's
Regiment Filling Up.

Frankfort, Ky., March 31.—Nothing
has yet transpired in the matter of the
proposed arrest of Gov. Taylor, though
it was said in democratic circles that a
warrant had been issued for his arrest.
The republicans continue to declare
that an attempt to place Taylor in cus-
tody will precipitate all sorts of trou-
ble. Friends of "Tallow Dick" Combs,
the negro barber arrested Thursday at
the instance of the Goebels, secured
his release on a writ of habeas corpus.
Beckham's military force is looking
up. The formation of a new company at
Frankfort gives him all told a com-
mand of about twelve companies. Most
of the west Kentucky troops are in
Col. Smith's regiment and will recog-
nize Beckham. The company now or-
ganizing at Paducah will enroll under
Beckham and the Beckhamites are also
counting upon winning over the Louis-
ville legion.

POOR WRITING IN THE SCHOOLS

Mr. Schwab Says That, Like Spelling, It
Needs More Attention.

Chicago, March 31.—Trustee Joseph
S. Schwab of the board of education
declares that in connection with his
efforts to have more attention paid to
the study of spelling, he is going to
insist upon greater care being given to
the art of writing. In the course of
his investigations he has found that
pupils in the schools are very poor
writers. In the lower grades, where
copy books are used, it is found that
the teachers only make the children
use them about once a month. When
the pupils reach the higher grades they
write very badly. "No business man
will take any boy into his office who
does not write a good hand," says Mr.
Schwab, "and for that reason I believe
that writing, like spelling, should be
given the greatest attention. I find
that the teachers slight writing as they
do spelling."

Ex-Senator Gibson Dead

Washington, March 31.—[Special
Telegram]—Ex-Senator Charles Hopper
Gibson of Maryland, died here this
morning. He was a democrat appointed
senator in 1891.

SAWYER FUNERAL HELD TOMORROW

IMPRESSIVE SERVICES TO TAKE
PLACE AT OSHKOSH.

Body of the Ex-State Senator Will Lie
in State Sunday Morning and After-
noon Until 2:30 O'clock—State Offi-
cials and Many Prominent Badgers
Will Be Present.

Oshkosh, Wis., March 31.—The fu-
neral of ex-Senator Philetus Sawyer
will be held tomorrow, and will be the
most impressive ever held in this city.

There will be little of display. The
services will be very simple and entirely
free from ceremonial. The Rev. Edward
H. Smith of the First Congregational
church, will conduct the services at the
residence and at the grave. The Masons
will attend the funeral, but will take no
part in the obsequies except to honor the
memory of their dead brother by their
presence. The Odd Fellows, of which
Mr. Sawyer was also a member, will
likewise be present to do honor to the
dead man, but will take no ritualistic
part in the funeral services.

The body of Mr. Sawyer will lie in
state at the residence of his son, Edgar,
from 10 to 12 o'clock Sunday morning,
and from 1 to 2:30 o'clock Sunday after-
noon, the hour of the funeral services.
Perfect arrangements will be made for
receiving the people who will come to
the funeral.

Relatives As Pallbearers

The pallbearers have been selected
from among the members of Mr. Saw-
yer's family. They are: Edgar P.
Sawyer, Philip H. Sawyer, C. C. Chase.

WAS SORROW AT BOZZIE'S GRAVE TEARS SHED AT A DOG'S FUNERAL

Wonderful Canine, Property of George B. Clason,
Buried With Ceremonies in Chicago Yesterday—
Children Strewed Flowers on the Grave and
Wept—Testimonial of Regard That Few Human
Beings Ever Received—The Dog Was Able to
Calculate Figures and Was a Human Mind
Reader.

Chicago, March 31.—Bozzie was ten-
derly laid to rest yesterday. Bozzie was
only a dog, but it was her good fortune
to be better known and more sincerely
loved than most people. She now lies
buried in the rear of the lot upon which
stands the home of her master, George
B. Clason, and her grave has been wa-
tered by the tears of more than fifty
school children.

Strange as it may seem to those who
did not know Bozzie, it was a funeral
which made tense the heartstrings of
everyone present. Staid professors, who
had often marveled at the dog's wonder-
ful tricks and mind reading feats, ming-
led their tears and regrets with those
of Bozzie's sad playfellows, the chil-
dren. It was a scene fraught with pa-
thetic incidents.

Body in a White Casket

Mr. Clason had determined that the
dog, which had been his inseparable
companion day and night for many
years, should not be buried after the
manner of common dogs, but he did not
tell his neighbors of his purpose. He
had Bozzie's body prepared for the grave
and placed in a white casket all silk
lined. Then he tenderly wrapped the
body in the silk coverlet which had been
her covering every night for five years.

Dog's Death a Loss to Science

Only a few intimate friends were in-
vited to the funeral, but many who
knew Bozzie read of her death and
waited to be present. It happened,
therefore, that there came twenty or
more who had not been invited but who
asked the privilege of attending. Among
them were men who did not hesitate to
say that the dog's death was a loss to
science. At 9 o'clock the casket was
borne to the little grave dug in the rear
of the lot. Upon the top of the casket
was a silver plate with this inscription:

BOZZIE,
Born Jan. 17, 1891.
Died March 28.
From Being maliciously poisoned.

Just as the body of the dog was
about to be lowered into the grave fifty
or more school children came timidly in
at the back gate.

William O. Goodman, Henry A. Jewell
and W. T. Ellsworth. In addition to
these the Knights Templar, Masons and
Odd Fellows will serve as an honorary
escort.

For the convenience of state officials
and many others who will attend the
funeral of Mr. Sawyer, the Chicago &
Northwestern railway officials notified
Gen. C. R. Boardman of Madison, that a
special train will be run from Madison
to Oshkosh Sunday, leaving Madison at
8 o'clock. The train will reach Milwa-
ukee at 10 o'clock, where more coaches
will be added to the train if necessary.
The train, when it leaves Madison, will
be composed originally of two coaches
and a parlor car. This train will bear
Gov. Scofield and practically all the
state officials and employees of the state
at Madison. At Milwaukee, officials and
citizens of that city will board the spe-
cial train.

MACHINISTS' STRIKE HAS BEEN SETTLED

MEN AND CONTRACTORS HAVE
REACHED AN AGREEMENT.

Over Five Thousand Chicago Strikers
Will Go to Work Monday—This
Move Will Prevent the Threatened
National Walk Out—Union Secures
Recognition From Employers.

Chicago, March 31.—A settlement of
the strike in the machine shops of Chi-
cago was reached yesterday at a confer-
ence held in the Fisher building be-
tween officials of the unions and repre-
sentatives of the employers. It is a
settlement which is to be national in its
scope, and under its terms the general
strike timed to involve the 150,000 ma-
chinists of the country about April 1
will be averted.

Work is to be resumed Monday here,
as well as in Cleveland, Paterson, N. J.,
and Philadelphia. At Columbus, the
fifth city where a strike was in force, a
settlement was declared to have been
reached Thursday afternoon. In all these
five cities the men agree to return to
work pending arbitration of the issues
in the controversy.

Many Workmen Affected.

The number of Workmen affected by
the decision to resume work is estimated
to be about 10,000. Of this total 5,000
are Chicagoans, most of whom have
been out of work since the issuance of
the order for the strike that went into
general effect here March 5.

From the terms of the settlement as
drawn up and executed in writing the
strikers are figuring out a notable vic-

men. This is about all the strikers have
been contending for.

DIES FOR LOVE OF LILLIAN.

Sensational Suicide of an Admirer of
Lillian Russell.

Niagara Falls, N. Y., March 31.—
Niagara has never before had such a
sensational suicide as that of Hyppo-
lite Schneider Friday morning in the
upper rapids, out from the shore of
Goat island. Schneider was a French-
man, who is supposed to have come
here from Pittsburgh. He was about
60 years old, had a gray mustache and
wore dark clothes. When last seen
he stood out on a reef in the river.
He was seen to place a revolver to his
forehead and with the sounding shot
he fell over into the rapids which
swept his body over the falls some few
hundred feet below. People standing
on Goat island bridge got a good view
of him as he passed under it. His
hat floated about a hundred feet in ad-
vance of him and was picked up on
Luna island. From papers and letters
found at his lodgings it seems certain
that Schneider was out of his mind.
Letters in French were addressed to
Madame Lillian Russell, whom he
blamed for his death, though he leaves
her his property.

ten men killed, one hundred and fifty-
nine wounded and three missing. The
enemy is leaving Brandfort, proceed-
ing northward."

Gen. Roberts telegraphs under date
of March 30: "News has been received
from Mafeking to March 10. The health
and spirits of the garrison is good and
food is holding out well."

Panay. He is a Chinaman.

DOCTOR CONFESSES BRIBERY.

Dr. Houghton Offered \$10,000 to Declare
Mrs. Fulton Insane.

Chicago, March 31.—Dr. Arthur
Houghton on Friday testified in the
Probate court before Judge Batten that
he had been offered a bribe of \$10,000
to declare Mrs. Martha E. Fulton, who
died last January, insane when she
made her will. He confessed that he
had yielded to the temptation at first,
but finally broke the agreement. Ac-
cordingly the court ordered the will to
probate. Dr. Houghton is a spiritual-
ist and is in charge of the Church of
the Spirit Communism, Forty-third
street and Cottage Grove avenue, where
he preaches every Sunday. He was
Mrs. Fulton's physician, and signed
her will as a witness. The testator
left an estate valued at \$55,000, and the
probating of the will was opposed by
Alfred Francis Ross of 4746 Lake ave-
nue, a half-brother of the testatrix;
Willard J. Hunt of Valparaiso, Ind., a
nephew, and Thomas L. Ross of Tope-
ka, Kan., another half-brother.

Quo Vadis Church in Rome.

There is a church in Rome called the
Domine Quo Vadis. The tradition runs
that St. Peter, in fleeing from the holy
city, was here met by the Savior and
cried out, "Lord, whither goest thou?"
or "Domine, Quo Vadis?" The reply
was that Christ was going to Rome to
be crucified afresh. Peter turned
back, and the church was built on the
spot.

PORTO RICO BILL WILL PASS SENATE

Insular Matters Will Oc-
cupy Attention of Con-
gress Next Week

HAWAII UP FOR DEBATE

Quay Case and Hay-Paunce-
fote Treaty Both Sched-
uled for Consideration

President McKinley is Likely to Rec-
ommend a Reduction of Some of the
War Taxes Soon—War Expenses
Are Becoming Smaller and the
Taxes Can Be Cut Some—New
Philippine Commission Will Have
Control on the Islands.

Washington, March 31.—[Special
Telegram]—Congress next week again
will consider matters relating to our in-
sular possessions. The government of
Hawaii will be considered in the house
until Wednesday and a vote will be
taken Thursday. Friday will be given
to the committee on claims and Satur-
day to eulogies on Bland of Missouri.

It is expected the senate will send the
Porto Rico tariff bill to the house
Wednesday. Probably no attempt to
pass the house bill will be made next
week. Tuesday at 4 o'clock a vote will
be taken in the senate on the Porto
Rican bill. It will pass by a substantial
majority.

The Quay case will probably come up
on Thursday or Friday. The Hay-
Pauncfote treaty may also be discussed.

In the senate today the debate on the
Porto Rican bill was resumed, Fair-
banks speaking in favor of the 15 per
cent duty. He denied that the sugar
and tobacco interests favored the tariff
bill.

MAY REDUCE THE WAR TAXES

Secretary Gage Intimates the President
Will Recommend Such Action.

Washington, March 31.—[Special Tele-
gram]—Secretary Gage has prepared a
statement of the receipts and expendi-
tures of government whereby he shows
that some of the war taxes can safely be
reduced. It is thought this action has
been taken after consultation with the
President, who is likely soon to recom-
mend to congress that the reduction be
made.

According to the figures prepared by
the secretary there has accumulated
since July 1, 1899, a surplus of revenues,
over receipts of \$53,000,000. By the
end of June this year, this surplus will
probably have been increased to more
than \$60,000,000.

These expenditures are becoming
smaller every week and with the surplus
now on hand the war taxes might be cut
down and still insure enough revenue to
meet all demands.

GEN. OTIS WILL BE SUBORDINATE

Philippine Commission Will Have Full
Control

Washington, March 31.—At the White
House President McKinley entertained
at dinner the members of the Philippine
commission. The instructions to the
commission, which have been prepared
by Secretaries Root and Gage at the re-
quest of the president, are complete.
They give the commission plenary
powers.

President Taft of the commission will
be the personal representative of Presi-
dent McKinley in the Philippine group,
and he and his colleagues will fully rep-
resent American sovereignty. The
army is to be wholly subordinate to their
orders, and General Otis, if he elects to
remain in the Philippines, will find the
commission taking the place of the pres-
ident of the United States and the sec-
retary of war as his immediate superiors.

ow of Alonzo Garrett has made ar-
rangements with a florist skilled in
funeral designs to have a display made
of relics of the departed, which is to be

orials consist of a straw hat which
her husband had just laid aside when
fatally stricken, a meerschaum pipe,
the coffin plate, part of a coffin handle,
artificial flowers, a lock of her own
hair, part of the gray whiskers worn
by the deceased, and a small penknife.

MORE KIND WORDS FOR MR. WHITEHEAD

PRESS OF THE STATE CONTINUES TO PRAISE HIM.

Richland Center Republican Observer, The Delavan Republican, Waterloo Journal, Lake Mills Leader, Vernon County Censor, and Others Speak Kindly of the Janesville Candidate.

Continued From page 1.

years and held the position of state senator from his district for the past four years. He is a man of unusual business ability, and is worthy of the votes of a majority of the delegates to the state convention.

Able, Clean, Independent.

Mineral Point Tribune—A new and perhaps formidable candidate for the republican nomination for governor, has developed during the past week, in the person of State Senator John M. Whitehead of Janesville. Senator Whitehead was a recognized leader in the senate of 1899, able, clean and independent. He was father and champion of the bill creating the tax commission. That the commission has failed to meet his expectations is probable, and the disapproval of it expressed by many must be a mortification to him. As governor, he may hope to be able to secure administration of the law so as to accomplish the good he anticipated from it. But radical changes in the personnel of the commission must first be made.

Honest, Able, Fearless Men.

Darlington Republican Journal—Last week the two candidates for Governor entered the lists, Senator John M. Whitehead of Janesville, and Senator Andrew L. Kreutzer of Wausau. The former comes from Rock county in the first congressional district. The latter resides in Marathon county in the ninth congressional district. Both are able, honest, fearless gentlemen, and either would make an ideal official.

The avowed candidates up to date, are: Ira B. Bradford, De Wayne Stebbins, Earl M. Rogers, A. M. Jones, John M. Whitehead and Andrew L. Kreutzer.

Self-Reliant and Fearless.

Waterloo Journal—Senator John M. Whitehead of Janesville, has entered the field as a candidate for the republican nomination for governor. He is a man well fitted in every way for the position. He is a man with ideas, self-reliant and fearless. He was a leading member in the senate during the last legislature, being the leader in drafting and securing the passage of many of the most important measures. His many friends in this district had hoped to see him accept a re-nomination in the senate, but would be pleased to have him reach a higher official position, knowing that he would honor the office. He would be the people's governor.

Point to His Record With Pride.

Lake Mills Leader—The announcement is made in the Janesville Gazette that our state senator, John M. Whitehead, is a candidate for governor. This will add an unexpected interest and warmth to the contest, and make it necessary for other candidates to get up pretty early and work pretty lively if they really desire the nomination. The record made by Senator Whitehead in the last legislature will be of great service to him in the contest, it being such that his supporters can point to it with pride.

First Class Gubernatorial Timber

Vernon County Censor—Another strong name has been added to the list of candidates for the republican nomination for governor, in State Senator John M. Whitehead of Janesville. Mr. Whitehead is first class gubernatorial material. He is an exceptionally able man, high minded, conservative, and in fact a gentleman who stands for the best things in public life and politics. He is third among the present membership of the state senate to enter the race or governor.

One of the Best Qualified

Bloomer Advance—The Janesville Gazette announces that Senator John M. Whitehead of Janesville has consented to allow his name to be used as a candidate for the republican nomination for governor. Mr. Whitehead is one of the best qualified men in the state for

the position. He is a graduate of Yale university and is a lawyer of more than ordinary ability. He has been state senator since 1896 during which time he has been the author of a number of very important bills. Mr. Whitehead will have strong support especially from the southern part of the state.

Another Home Tribute.

Janesville Farm and Home—Upon the earnest solicitation of a large number of friends state senator John M. Whitehead has announced himself as an aspirant for the nomination for governor on the republican ticket. Senator Whitehead is an honorable politician, an experienced statesman, keenly alive to the best needs of the public and capable of performing the manifold duties of the office in a most acceptable and satisfactory manner.

Has Strong Claim.

Edgerton Tobacco Reporter—The announcement of Senator John M. Whitehead of this county as a candidate for governor is being received with the strongest commendations by the press of the state. No candidate that has yet come before the public has stronger claims for the support of southern Wisconsin and it only needs the united support of that section of the state to secure his nomination.

Able, Conservative Man.

Milton Telephone—Senator John M. Whitehead, of Janesville, has announced that he is a candidate for the republican nomination for governor. It is said that he will have the backing of this, the first congressional district, which gives him over a hundred votes to start with. Mr. Whitehead's work in the senate has made him known throughout the state as an able and conservative man, just such a man as would give the state an excellent administration.

One of Wisconsin's Best Men.

In republishing a notice of Senator Whitehead's candidacy, the Elkhorn Independent says—Senator Whitehead is one of Wisconsin's best men. He would make a good governor; but Wisconsin has so many good men—men who have been tried and not found wanting, that it will be difficult to select any one of them.

Is Eminently Qualified

Platteville Witness—Senator John M. Whitehead, of Janesville, has announced himself as a candidate for governor. He was one of the leaders in the last legislature, and made an enviable reputation for himself by his personal popularity, his clear-headedness, and his far-sightedness. He possesses qualifications which eminently fit him for the position.

Hope For His Success

Evansville Review—State Senator John M. Whitehead has come out and will be in the race for gubernatorial honors. Mr. Whitehead made a grand record in the senate and we believe would make a splendid chief executive. We hope to see him fill that high position.

Make An Excellent Executive.

Tennimore Times-Review—Senator J. M. Whitehead of Janesville has come out for governor. He is a good, clean man, and would make an excellent executive.

DELEGATES CHOSEN AT THE CAUCUSES

REPUBLICAN PRELIMINARIES WERE WELL ATTENDED.

County Convention to Be Held Next Thursday to Send Delegates to Kenosha and Milwaukee—Congressman Cooper Has No Opposition—Results in the Various Wards.

The republican caucuses last night were well attended regardless of the fact that there was only one list of delegates in the field, and the interest there naturally flagged. The delegates were elected to attend the county convention to be held at the Court House on April 5, next. At the county convention delegates will be elected to attend the congressional district convention at Kenosha, and also the state convention at Milwaukee. The congressional district convention will be held at Kenosha on April 24, and will nominate a congressman, and elect two delegates to the Republican National convention at Philadelphia. Congressman Henry A. Cooper has no opposition and will doubtless be renominated by acclamation.

The state convention will be held at the Davidson theatre, Milwaukee, on April 25. It will elect four delegates at-large to attend the Republican National convention at Philadelphia, and will also name the presidential electors for Wisconsin.

Last night's caucuses had no bearing on the gubernatorial contest. The caucuses and conventions to name county and state tickets have not yet been called.

EURETTA KIMBALL WINS HIGH HONOR

DECLAMATORY CONTEST HELD AT HIGH SCHOOL.

Large Audience Filled the High School Auditorium Last Evening—Good Sized Delegation in Attendance From Out of the City—Evansville, Beloit and Whitewater Represented.

At the high school building last evening was held the annual league declamatory contest participated in by pupils of the Whitewater, Evansville, Beloit and Janesville high schools.

The winners were as follows: Miss Eurette Kimball, Janesville High school, first; Carl Monshau, Evansville High school, second; Joseph Fisher, Janesville High school, third.

As a result of the decision rendered the three winners will participate in the district contest to be held at Whitewater, April 20.

Supt. D. D. Mayne presided over the program. The orchestra from the State School for the Blind was present and furnished excellent music. The Janesville representatives on the program were Miss Kimball who recited "The Witch's Lament," Joseph Fisher, "The Vagabonds," and Lloyd Porter, "The Trial of Abner Barrow." Both did themselves proud and won liberal applause. Mr. Porter of Janesville did himself proud.

The speakers from Evansville were Carl Monshau, "The Death Bed of Arnold;" Cora Fairbanks, "The Fight With the Aurochs" from "Quo Vadis," and Ray Potter, "The Chariot Race" from "Ben Hur."

Beloit was represented by Marcia Schellenger who gave "Revenge of Hamish." Edith Flint took for her selection "Nations and Humanity," while Thomas Mills favorably rendered "Return of Regulus."

Whitewater was well represented by Stella Kaech who gave a selection from "Timothy's Quest." With credit Fauny Robyn gave "Kentucky Belle" while for her selection Ethel Gleason gave "Lady Maud's Oath."

Throughout the contest the closest attention was displayed by all and at the end of each event liberal applause prevailed. The contest was witnessed by fully two hundred visitors who accompanied the speakers from Whitewater, Evansville and Beloit.

The woman who mislays her hat and looks for it in her purse, among other impossible places, is very like the physician who looks in all sort of impossible places for the cause of a disease. The heart begins to act irregularly and straightway there's an examination of the heart to find what is interfering with it. The liver gives trouble, and is dosed with drugs and pounded with pills to bring to light the cause, and all the time the cause of the trouble is in the stomach.

The intimate connection of the stomach with the heart and the other vital organs, necessarily results in the sympathy of these organs with any derangement or disease of the stomach and the organs of digestion and nutrition.

Thousands have been cured of palpitation, liver trouble, shortness of breath, pain in the side, backache, and numerous other complaints by the use of Dr. Pierce's Golden Medical Discovery. This medicine acts directly upon the stomach, the organs of digestion and nutrition and the blood making glands, and the fact that it cures so many forms of disease is the best proof that these diseases originate in the stomach and must be cured through the stomach.

"I had been a great sufferer for several years, and my family doctor said I would not be living man in two years, but, thank God, I am still living," writes Mr. George W. Tristram, of Lipscomb, Augusta Co., Va. "Dr. Pierce's Golden Medical Discovery is what saved my life. I had heart trouble so bad that I could not lie on my left side without a great deal of pain. I was nearly past work when I commenced your medicine, but I can do about as much work now as any man. I cannot say too much for the benefit I have received."

The People's Common Sense Medical Adviser, "The Bible of the body," is sent free on receipt of 21 cent stamps to pay expense of mailing only, for edition in paper covers, or 31 stamps for cloth-bound edition. Address Dr. R. V. Pierce, Buffalo, N. Y.

OPERA COMPANY DREW FULL HOUSE

Large and Fashionable Audience Assembled at the Myers Grand Last Evening.

At the Myers Grand last evening a large and fashionable audience assembled to witness the production of the opera, "The Highwayman" by the Broadway Opera Company. The plot is by Deo Kven & Smith and from start to finish is filled with life that makes it most interesting and attractive. The girls were handsome, the men were artists and the costumes and stage settings were in keeping with all. Arthur Dragon as the highwayman was all that could be desired. His physique brought him each time into prominence and his powerful and well trained voice was brought out to good advantage. Olive Thorne, the prima donna of the company, was charming and her singing was rewarded with liberal applause. W. H. Tre Denick as Foxey Quiller was a whole show in himself. Each and every member of the company deserves special mention. The chorus at all times was good. The attraction as a whole proved to be the best opera that has visited Janesville since the celebrated Bostonians. The large audience present plainly indicated that when a good attraction comes the keeping of seats is laid aside by many.

WINE OF CARDUI

HEALTHY OLD AGE.

LARUE, BENTON CO. ARK., Aug. 4.
I am 49 years old and have been suffering with Change of Life. I had flooding spells so bad that none thought I could live. My husband got me Wine of Cardui and it saved my life. I am like another person since taking it.

MRS. E. B. TOWNSEND.

Wine of Cardui

It is the devout wish of nearly all people to live to a ripe old age. None of us want to die young. This universal desire can be realized if care be taken of the health in early and middle life. A little precaution then will add many years to our existence. Death can be kept away a long time. Happy, healthy old age will be the lot of the woman who promptly corrects the ailments which afflict her sex. In youth, Wine of Cardui will take the female child safely over the dividing line between girlhood and womanhood. As a wife she needs it to help her through the trials of pregnancy and childbirth with as little discomfort as possible. At the Change of Life it will help her over the dangerous place that appears in her pathway between 40 and 50. Then will come many years of truly blissful existence. She will grow old slowly and gracefully. To the last she will preserve that charm and beauty which are always characteristic of perfectly healthy grandmothers. It is for women alone to decide whether they will be healthy or sick. The remedy for their sickness is close at hand.

STICK TO YOUR PRINCIPLES
When you go the polls to vote next Tuesday, keep your principles in mind. A vote for democracy, is a vote for democracy, no matter whether it is cast at a municipal or general election. The republican ticket is worthy of the united support of the republican party. The republican candidates are all admittedly competent and reliable men, and they will administer the city government with credit to the city, the party and themselves. The opposition party has also nominated good men, but it is idle to claim that any of them are more able or more honest than the republican candidates. Therefore the choice should be easily made. Stick to your principles, republicans, and put a "straight ballot" in the box. The idea of "bolting the ticket" is always repugnant to believers in party principles, yet a man who splits a ticket certainly "bolts," although he may not publicly announce his intention. The democratic campaigners realize that their hopes are dashed unless they can get republican votes. To this end they are working—and to this end only. If they win they will call it "democratic victory," and the republicans who contributed to their success will have only the satisfaction of knowing that they have given aid and comfort to the enemy.

We do not believe, however, that the republicans will listen to the democratic sophistries, for they well realize that turning over other people's grindstones is an unsatisfactory and thankless job. We feel safe in predicting, therefore, the success of the republican ticket by an increased majority.

Senator Whitehead's candidacy for governor continues to be the most popular political topic throughout the state these days, and his announcement is well received in all sections of Wisconsin. A second collection of clippings is published in another column and it will be noticed that all are exceptionally complimentary. Senator Whitehead has served the people with signal fidelity, and the ready favor with which his gubernatorial candidacy is received shows that his work has been appreciated.

Milwaukee Evening Wisconsin—In public as well as in private life, Mr. Sawyer's conspicuous characteristics were rugged straightforwardness and sterling common-sense. He was no dreamer, but practical in all his aims and methods—not a man of notions nor of words, but a man of deeds. He was large hearted as well as large minded, giving liberally to public objects, but though he gave generously of his money, the best of his gifts was what he gave of himself—of his time and thought.

Everybody in Janesville knows W. H. H. MacLone, and the attacks made upon him by the opposition will not count. Fourth ward people are well acquainted with the republican aldermanic candidate, and mud throwing will not change a vote. Mr. MacLone's election is generally conceded, and in their desperation,

the opposition has made a serious mistake.

WILL COME IN FROM TOWN OF LA PRAIRIE

DEFINITE SURVEY OF MILWAUKEE ROAD COMPLETE.

Options on Property Bought By the Company Would Seem to Indicate the Place Where the Lines Will Enter Janesville—Matter Still Kept Secret.

That the new line of the Chicago, Milwaukee & St. Paul railroad company will enter Janesville from the town of LaPrairie within a short distance of Athletic park now appears to be almost a certainty.

Railroad officials & Milwaukee road surveyors now in the city have nothing to say, but there is one thing certain; they cannot deny the fact that they have had men at work in Janesville this week securing options on city property so that the new line can enter Janesville.

From options and purchases of land made this week it appears that the road after entering the city will cross the Beloit road near the corner of Eastern avenue. Across Spring Brook it has been surveyed crossing the Bailey farm and coming out across a small portion to the Milwaukee property onto Eastern avenue near Armour avenue. At this point the surveyors have placed the line so that tunnelling beneath Center avenue will be necessary.

This will bring the road into the Curtis stone quarry on the south side of the Northwestern railroad bridge in Monterey. Then, according to the present survey, the road will again be obliged to pass through another tunnel in order to clear the Chicago & Northwestern railroad tracks.

They will bring it on the south and west side of the Monterey railroad bridge. Then the survey crosses the river to within a short distance of the Monterey woolen mill. Then it crosses tracks of the Northwestern and Milwaukee road lines that run to Atton. Then the line goes over Snipe Hill and connects with the main line of the Milwaukee road on the Mineral Point division a short distance from the Milwaukee road round house.

Whether or not the company will accept this survey as final now remains to be seen. All indications at least point in that direction. Local representatives of the company have nothing to say. There is much doubt if they know or any one else except the high officials who arrived here yesterday in their private car.

It is said that the company will run side tracks to reach the Janesville Machine Works and other factories in that vicinity. There is no denying the fact that the Milwaukee company this year secured options across the Bailey farm in Spring Brook. They have also bought outright the Mulcaires property on Western avenue.

With such facts revealed it looks very much as though the new line would follow the late survey.

HOLD BIG REGATTA UPON ROCK RIVER

YALE OR HARVARD VERSUS THE WISCONSIN CREW.

John Fisher of This City, Manager of the University of Wisconsin, Has the Plan in Hand—Take Place This Summer Near Beloit—Eastern Crews Are Willing to Come if All Arrangements Are Satisfactory.

What would undoubtedly prove to be the greatest regatta ever held in the West promises to take place this summer to be rowed on Rock river. The program now being arranged says that the crew of the University of Wisconsin are most likely to row the representative crew from either Yale or Harvard University.

And what is more this great event, if carried out, will be rowed over a three mile course on Rock river starting from the city of Beloit running north.

As yet no definite arrangements have been made towards finally closing the deal and for this reason the affair at present is far from being a sure thing. The one man in the West who is now in charge of this undertaking is John Fisher, of Janesville, who now holds the responsible position of manager of the athletic association of the University of Wisconsin.

Yesterday Mr. Fisher was in Janesville and when asked by a Gazette representative if such a report was true he said that it was. Mr. Fisher further stated that considerable correspondence had been carried on of late in an endeavor to close such a contract.

Nothing but the very best crew in the east will be asked to try honors with Wisconsin. Yale and Harvard are the most desirable crews sought. That they may either one of them consider Wisconsin well within their class was purely demonstrated in the Hudson river regatta when Wisconsin came within one of winning the race after rowing a battle that won for the Westerners the admiration of the entire east. It is said that Yale and Harvard both think favorably of the plan.

During the past few weeks Manager Fisher has been quietly going over western territory for no other purpose than locating an ideal course. At Madison the course along the lakes was first spoken of but this idea was abandoned for the reason that to accommodate several thousand spectators would be out of the question. What was needed was a straight away three mile course bordered its entire length by a line of railroad. The object of this is so that an observation train could be run along the course keeping pace with the crews. This kind of a course extends from the city south.

The river is wide and could easily be made free from all obstructions. The Northwestern railroad track runs within a few feet of the river bank. In order to get a crew to Wisconsin from the east considerable money would have to be expended. The only revenue that could be derived from spectators would be in the running of an observation train that would carry about 3,000 people. This train would start with the crews and keep pace with them till the finish. Passengers would readily give \$2 each for seats on this train. In this way expense money would be made.

The race would be the means of drawing no less than 50,000 people to this city. Excursion trains would be run for all parts of the west.

Manager Fisher says that he sees no reason why satisfactory arrangements can't be made. Either June, July or September would suit Wisconsin.

PITTSBURG NOW THEIR HOME Albert Bemis and William Bonsteel Working For Coal Company

Albert Bemis and William Bonsteel of this city are now both holding excellent positions in Pittsburgh. The young men on leaving Janesville went to Chicago and then through Ohio. They are now working in the office of a large coal company that employs sixty-four people in their office and occupy an eight story building. Numerous local friends will extend best wishes for their prosperity.

By abolishing horses travel in cities will not be as congested owing to the saving in room now occupied by the horse. There are approximately 200,000 horses used in New York city alone, and a horse increases the length of a wagon by nine feet. Taking the average width occupied by a horse and shafts as two feet, it is seen that 200,000 horses occupy about 3,600 square feet.

ARCHIBALD FORBES IS DEAD.

Prototype of War Correspondents—A

Genius in His Way.

London, March 31. — Archibald Forbes died Friday morning under complications of paralysis and rheumatism, from which he had been suffering for six months. Archibald Forbes was the best-known war correspondent of modern times. He was born at Moray, Scotland, in 1838, educated at the university of Aberdeen and gained his first military knowledge as a member of the Royal dragoons. He entered the ranks of journalism after twelve years of service in the army, and won his spurs as correspondent during the Franco-Prussian war.

He accompanied the prince of Wales to India in 1875. In 1877 he was commissioned to describe the Russo-Turkish campaign. Danube and of Shagi Osman's defense of Plevna against Skobloff were not only journalistic "bests," but rank the most interesting contributions to the literature of modern history. Subsequently he assisted in the Arghun war, where he was the first journalist to ride through the Khyber pass, bearing the news of the capture of Ali Musjid by Sir Samuel Browne. In Zululand he was ahead of all his colleagues in a ride of 110 miles in fourteen hours, by which the Daily News was the first paper which published a full record of the fight at Ulundi. Shortly after this ill health compelled him to retire from active work on the battlefield. His later life was devoted to critical, biographical and imaginative literary work, all of a high order. His wife was the daughter of Gen. M. C. Meigs, quartermaster-general of the United States army.

Cleveland for Neutral Canal.

Princeton, N. J., March 31.—Ex-President Grover Cleveland gives out the following statement:

"I have always thought that whatever was done in the promotion of a canal across Nicaragua by the government of the United States should be done as a contribution by it to the cause of progress and advancing civilization. It seems to me we have gained a position among the nations of the world that would make it appropriate for us, in accordance with the spirit of our institutions, to make such a contribution. This, of course, means the absolute neutralization of the Nicaraguan construction, and since the Hay-Pauncefote treaty is directly in line with this sentiment, I am strongly in favor of its ratification."

EASILY PROVEN.

There is Not the Slightest Necessity for Leaving Janesville to Look for Proof.

The experience given below by this well-known citizen of Janesville is easily proven. The proof he offers for his convictions can safely be left with the reader. It is a difficult matter to describe an aching back or any of the ills caused by disordered kidneys. How to cure the trouble is of much more importance, and the most exacting resident of Janesville cannot ask for any better authority on this point than that given by Veteran A. F. Lee, of 51 Sharon St., carpenter, who says:

For twenty years it troubled me a great deal, many days I could hardly keep at my work, and by rights should have staid at home and doctored. It was seldom that my back did not ache, and I have been completely laid up for three or four days at a stretch. When shooting or lifting up things penetrated the kidneys, the secretions from those organs were too frequent, and accompanied by pain. Tried all kinds of remedies but none gave permanent relief. Obtained Doan's Kidney Pills at the People's Drug Co., I took them, after the first three or four doses, noticeable change was brought about. I improved steadily from then on and on completing the treatment I was in good condition and am now well.

ELECTION NOTICE.

Office of County Clerk, }
March 26th, 1900. }

To the Electors of Rock County:

Notice is hereby given that a judicial election is to be held in the several towns, wards and election precincts in the County of Rock, on the 3rd day of April, 1900, at which the officers named below are to be chosen. The names of the candidates for each office to be voted for, whose names have been certified to this office, are given opposite the title of the office and under the appropriate party or other designation, each in its proper column, and the questions submitted to vote are stated below:

INFORMATION TO VOTERS.

The following instructions are given for the information and guidance of voters: A voter, upon entering the polling place and giving his name and residence, will receive a ballot from the ballot clerk, which must have indorsed thereon the names or initials of both ballot clerks, and no other can be used. Upon receiving his ballot the voter must retire alone to a booth or compartment, and prepare the same for voting. A ballot clerk may inform the voter as to the proper manner of marking a ballot, but he must not advise or indicate in any manner whom to vote for. The voter must make a cross-mark, X, under the name of each person he desires to vote for. If he wishes to vote for a person for a certain office whose name is not on the ballot, he must write the name in the blank space under the printed name of the candidate for the office. The ballot should not be marked in any other manner. If the ballot be spoiled it must be returned to the ballot clerk, who must issue another in its stead, but not more than three in all to any one voter. Five minutes' time is allowed in booth to mark ballot. Unofficial ballots or memorandum to assist the voter in marking his ballot can be taken into the booth and may be used to copy from. The ballot must not be shown so that any person can see how it has been marked by the voter. After it is marked, it should be folded so that the inside cannot be seen, but so that the printed indorsements and signatures of the ballot clerks on the outside may be seen. Then the voter should pass out of the booth or compartment, give his name to the inspector in charge of the ballot box, hand him his ballot to be placed in the box and pass out of the voting place. A voter who declares to the presiding officer that he is unable to read, or that by reason of physical disability he is unable to mark his ballot can have assistance of one or two election officers in marking the same to be chosen by the voter; and if he declares that he is totally blind he may be assisted by any person chosen by him from among the legal voters of the county. The presiding officer may administer an oath in his discretion as to such person's disability. The party designations and candidates for the different offices are as follows:

BOER ADVANCE IS CHECKED.

French Captures Koppes at Karee Siding.

ENGLISH LOSSES WERE 110

Boer Driven from Their Trenches and Compelled to Retire at Brandfort — More Advance than Skirmish.

London, March 31.—Boer aggressive, mess north of the Modder river roused Lord Roberts to strike sooner than had been anticipated. Gen. French, the handy man of this campaign, was, as usual, sent ahead. With him went Gen. Tucker and the Seventh division. They met the Boers at Karee Siding on the Bloemfontein-Pretoria railroad, twenty miles north of the state capital, and succeeded in driving them from the koppes. For an advance skirmish the fighting was fairly brisk. British losses were 110, which includes but one man killed, the others being wounded.

As indicating the long expected advance to the north, Friday's movement was received with much satisfaction in London. The advance in force, it is predicted, will commence two weeks hence, and will include five divisions of infantry, four brigades of cavalry, two brigades of mounted infantry, besides the yeomanry and colonials. This will be the biggest army yet concentrated to face the Boers, and if the latter attempt a decided stand at Brandfort or Kroonstad the war may be virtually over before the Vaal river is reached.

Sir Redvers Buller's army has vastly recuperated since Ladysmith was relieved, and despite the supposed tremendous strength of the Boer defenses in the Drakensburg passes it is expected that he will make his way across the obstacle and join forces with Lord Roberts for the final march on Pretoria.

President Kruger's threat to retake Bloemfontein is credited here to be nothing more than a desperate effort to screw up the Boer courage to his policy of resistance.

Joubert's Funeral Imposing.
Pretoria, March 31.—The funeral of Vice-President and Commandant-General Joubert, which took place here Friday, was the most imposing national pageant ever witnessed in the capital of the republic. A crowd estimated to number 10,000 persons lined the streets as the cortege passed. The services at the church were very affecting, and many of those present were moved to tears. The remains were taken to the railway station for conveyance to Gen. Joubert's farm, where they are to be interred. This farm is at Rustfontein, on the border of Natal. At the railway station President Kruger made a powerful address, the chief point being his valedictory to the dead commander. He then announced that Gen. Louis Botha would succeed Gen. Joubert as general in chief.

Condolences with Joubert's Widow.
London, March 31.—It is reported that the queen cabled Lord Roberts asking him to convey to the widow of Joubert, the Boer commandant-general, an assurance of her majesty's sympathy. The queen added that the British people regarded Mrs. Joubert's husband as a gallant soldier and an honorable foe. A Pretoria dispatch states that Gen. Joubert's body will be buried on his farm at Rustfontein. In accordance with his wishes the ceremonies will not be of a military character, but will be entirely of a civil nature and private.

Awarded the Victoria Cross.
London, March 31.—Trooper Morris, belonging to the Australian contingent on service in South Africa, has been recommended for the Victoria cross for rescuing an officer while under fire. Morris is the first Australian to receive this coveted decoration, which carries with it an annual pension of \$50 from the British government. He will also receive \$250 annually for life, this sum having been offered by an Australian insurance company to the first Australian winning the Victoria cross.

Second Canadian Contingent Mobilized.
Toronto, Ont., March 31.—An official cablegram received Friday announces that Canada's second contingent, mounted rifles, are to join Lord Roberts in the march on Pretoria, and so also are the Strathcona horse, which will arrive at the Cape in a few days. The news has given great satisfaction, as it was feared that the second contingent might not have the chance to distinguish itself which the first had.

Wilson Attacks Chinese Policy.
London, March 31.—In the house of commons the Right Hon. William St. Broderick, under secretary of state for foreign affairs, stated that representations had been made to China regarding the disturbances at Tien-Tsin. He added that two warships had been sent to Taku to protect British subjects. In criticizing the government Mr. Joseph Walton, liberal, eulogized the signal triumph of American diplomacy, and contrasted Russia's magnificence with the humiliating inactivity of Great Britain. He advised int action on the part of the powers to replace on the Chinese throne a progressive emperor in place of the reactionary empress.

Aguañado Writes Arancillo.
Paris, March 31.—Aguañado, through his agent, Agoncillo, after detailing numerous excesses which he alleges have been committed by Gen. Otis' army, says in an article just published in the Revue des Revues: "America may be indifferent to all the calamities with which she is overwhelming us, but she cannot wish to go on sacrificing her own sons and spreading horror and anguish to the hearts of the mothers, widows and children of Americans for the sake of carrying on a war that is contrary to all the traditions left by Washington and Jefferson."

Philippine Brigands Hanged.
Manila, March 31.—Morales and Gonzalez, the Ladrone leaders who were accused of murdering Filipinos, and were found guilty by a military commission, were hanged at noon Friday in the plaza in front of the church of San Carlos, in the town of that name, in the province of Pangasinan. The principal citizens of the town witnessed the hanging. There was no demonstration.

Prohibition in Insular Possessions.
Washington, March 31.—A delegation of temperance advocates appeared before the house committee on insular affairs Friday to advocate the prohibition in all the islands recently acquired by the United States and made arguments in favor of a bill prohibiting the sale of liquor in the Philippines, Guam, Puerto Rico, Hawaii and elsewhere.

Delagoa Award Considered Unfair.
London, March 31.—In financial centers the Delagoa Bay railway award is regarded as unfair. Ordinary shares of the road which Friday afternoon sold at 74 are now quoted at 1. First mortgage debenture bonds which Friday sold for 132 are now unsaleable at 110, and second debentures which were quoted at 115 are down to 50.

Church Funds Lost at Craps.

Omaha, Neb., March 31.—Rev. John Williams, who has been collecting money to build a colored men's church in this city, wandered into the Holy Grail club room Friday night and got into a crap game, in which he lost \$77 of the church money. He complained to the police, and the place was raided. It was then learned that Williams' real name was Johnson and that he was wanted at Leavenworth, Kan., on a charge of highway robbery. It being alleged that he held up a soldier from the fort and robbed him of a considerable sum of money.

Fatal Blow on the Head.

New York, March 31.—As the result of injuries received in a juvenile sparring match Friday night it is feared Thomas McGregor may die. The bout was between McGregor and Thomas Nelson. Both of the boxers are 16 years old. Nelson landed a heavy blow on the right side of McGregor's head. The boy fell to the floor like a log. The youngsters, seeing that there was something wrong, sent for a physician, who found that the McGregor boy had a cerebral hemorrhage and was in danger of dying. Nelson was arrested and looked up.

No Proofs in Defense of Marsh.

Lansing, Mich., March 31.—After the prosecution rested its case in the Marsh trial Friday afternoon the defense moved for a continuance on the ground that they were not prepared to meet the unexpected testimony of certain witnesses who were permitted to testify. This was denied by the court, as was a motion that the prosecutor be directed to furnish the defense with a copy of testimony taken before the grand jury. The defense then sprung a surprise by announcing that they had concluded to offer no proofs.

Confesses and Falls in Pit.

Detroit, Mich., March 31.—In the deputy factory inspector's office Friday a woman was seized with a fit after having acknowledged that she had sworn falsely to the age of her son, who was applying for a working permit. She said the boy was 14. "You know that boy is not yet 14 years old," said Deputy Inspector Cox. "I know it," she acknowledged. With that she threw up her arms, rolled her eyes and fell sprawling on the floor in a fit.

POSITIVE FACTS FOR WOMEN.

All the world knows of the wonderful cures which have been made by Lydia E. Pinkham's Vegetable Compound, yet some women do not realize that all that is claimed for it is absolutely true.

If all suffering women could be made to believe that Mrs. Pinkham can do all she says she can, their suffering would be at an end, for they would at once profit by her advice and be cured.

To all doubters Mrs. Pinkham can furnish the most positive and convincing proof of these facts.

First—Lydia E. Pinkham's Vegetable Compound holds the record for the largest number of absolute cures of any remedy for female ills ever known in this country.

Second—Mrs. Pinkham has on file millions of letters from women who have been restored to health by the use of her Compound, and all that she claims can be verified by an examination of her records.

Third—All letters addressed to her at Lynn, Mass., are received, opened, read, and answered by women only. This is a sacred confidence never violated. No testimonial ever published without the writer's full and free consent in writing.

How Mrs. Bougher's Life was Saved by Lydia E. Pinkham's Vegetable Compound.

"Lydia E. Pinkham's Vegetable Compound saved my life and gave back a loving mother to eleven children, which was more than any doctor could have done or any other medicine in the wide world. My trouble was child-bed fever. The third day after my babe was born I took a chill, which was followed by a high fever. I would perspire until my clothes were as wet as though dipped in a tub of water. The chills and fever kept up for three days. My daughter got me a bottle of your Compound. The fourth dose stopped the chills, and the fever also disappeared. My life was saved. My age at this critical time was forty-nine."—Lydia E. Bougher, Etna, Pa.

Facts About Lydia E. Pinkham's Vegetable Compound in Cases of Change of Life, Bearing-Down Pains, Etc.

"I had falling, inflammation and ulceration of the womb; backache, bearing-down pains; was so weak and nervous that I could not do my own work; had sick headache, no appetite, numb spells, hands and feet cold all the time. I had good doctors, but none of them did me any good. Through the advice of a lady friend I began the use of Lydia E. Pinkham's Vegetable Compound, and after taking one bottle I felt greatly relieved, and by the time I had used several bottles was completely cured, so that I could do my work again. I am now passing through the change of life and using your Compound. It helps me wonderfully. I want every suffering woman to know what your medicine has done for me."—Mrs. W. M. Bull, New Palestine, Mo.

Still More Facts Showing Irregularity is Overcome by Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM—I am troubled with irregular menstruation, and have begun the use of Lydia E. Pinkham's Vegetable Compound. Would like your advice."—Cora L. Payton, May 19, 1898.

"DEAR MRS. PINKHAM—I have taken three bottles of Lydia E. Pinkham's Vegetable Compound, but I have a bad discharge and write to ask if I had better not use your Sanative Wash also? Your medicine is helping me."—Cora L. Payton, Ogontz, Pa., July 1, 1898.

"DEAR MRS. PINKHAM—I write to tell you of the benefit I have received from the use of your remedies. Before using them I was feeling very bad. I used to go to the hospital, but it did me no good. Your remedies have done wonders for me."—Cora L. Payton, Ogontz, Pa. Feb. 25, 1899.

No medicine in the world has a greater record of cures for female ills than

COLUMBIA THEATER BURNED.

Famous Playhouse Totally Destroyed—

No Loss of Life.

Chicago, March 31.—The Columbia theater, one of the oldest playhouses in this city, was destroyed by fire Friday afternoon. Starting on the sixth floor of the building, the flames swept down from floor to floor, burst into the large auditorium, caused the building to collapse and before they were extinguished left the structure a mass of ruins. The loss will reach close to \$200,000. The blaze was most spectacular, and thousands watched the last drama in which the old playhouse formed the stage setting. Had the fire been twenty-four hours later it might have resulted in a fearful disaster, as "Rogers Brothers in Wall Street" has been playing to packed houses, and the seats for the matinee today were almost sold out. So rapidly did the flames spread that hundreds would have failed to get out in time. For a time Harry C. Fourness, treasurer of the theater was thought lost. As it was, he barely escaped with the funds and books of the box office. The fire probably started in the laundry or kitchen of the Irquois club, as the flames when first seen were in the region occupied by those quarters of the club. Adjoining property was with difficulty saved from destruction.

Color in Medical Practice.

The use of colors as a part of medical treatment is not a new one. Red light, for example, has been recently advocated in the treatment of measles and smallpox. Jean Gaddesden cured the son of Henry I., king of England, of smallpox by surrounding the prince with scarlet, clothing him in scarlet as well as all his attendants, and having red carpets and hangings in the room. The record shows this succeeded so well that his face was not even scarred.

Geometrical Work of an Ant.

By the aid of mechanical instruments human beings can do many wonderful things, but to save his life no man could cut such a perfect circle without a pair of compasses as the parasol ant does out of a loaf with nothing but her jaws.

Critical Times for Girls.

The first critical period in a woman's life comes at the passing of her girlhood. In nine cases out of ten where disease fastens itself upon her it does so at the line of demarcation between girlhood and womanhood. How to preserve the daughter's health—how to ward off disease at this crisis is the problem that confronts every mother of girls.

Dr. Williams'
Pink Pills for Pale People

are the best remedy to use at this critical period. Read this sworn statement of Mrs. J. M. Riggs, of Cartersville, Mo.

"My daughter Josie during the winter of 1897-98 suffered a complete break-down in health. She was thin and pale, had no appetite—in fact, some days barely tasting her food. Those who knew her condition said she was going into a decline.

"On the advice of a neighbor, we began giving her Dr. Williams' Pink Pills for Pale People. The effect on her condition was marvellous. Before she had taken half a box her condition was improved, and she kept on gaining appetite, strength and flesh until she was entirely well. She took three boxes of the pills and to-day there is not a healthier, more robust looking girl in Cartersville. She is fatter and healthier than ever before in her life."

Mrs. J. M. Riggs.

Subscribed and sworn to before me a Notary Public, this 15th day of October, 1898.

WILLIAM WOLCOTT, Notary Public.

Dr. Williams' Pink Pills for Pale People are an unfailing specific for such diseases as locomotor ataxia, partial paralysis, St. Vitus' Dance, sciatica, neuralgia, rheumatism, nervous headache, the after-effects of the grip, palpitation of the heart, pale and sallow complexions, all forms of weakness, in either male or female.

Dr. Williams' Pink Pills for Pale People are sold by all dealers, or will be sent, postpaid, on receipt of price, 50c. a box or six boxes for \$2.50 (they are never sold in bulk or by the 100) by addressing Dr. Williams Medicine Company, Schenectady, N. Y.
